

THE ELLIS REHABILITATION AND NURSING CENTER

THE NEXT STEP FOR YOUR PATIENTS

At The Ellis, our comfortable, home-like environment provides a peaceful setting for comprehensive care including short-term rehabilitation, long-term care and hospice. Whether your patients are recovering on their way back to their regular routine, require long-term specialized care, or have any post acute diagnosis, our caring teams personalize programs to accommodate individual needs and preferences.

Our care services include:

- 24 hour nursing care
- Orthopedic, cardiac, pulmonary, and neurological rehabilitation
- Physical, occupational and speech therapies and multiple rehab gyms
- Comprehensive wound management
- Intravenous therapies
- Oncology care
- Diabetes management
- Advanced therapeutic technology including electrical stimulation, short wave Diathermy, TENS and PENS
- 24 hour pharmacy support
